I know my scholarship is 100% unless I am in the MAC program, which has a 50% scholarship. **I am aware that my scholarship is financed through the Financial Aid budget. I will inform the Registrar's Office and the Financial Aid Office of any changes in hours I wish to make or if I cease to attend class.** I understand that I will lose this scholarship if I do not maintain satisfactory academic progress. If I am taking a course for credit and drop it after the second week of class, I will receive a grade of "W" which may affect my satisfactory academic progress. I realize that I can only receive scholarship on the number of hours up to or equal to the amount my spouse takes for credit. I also know that my spouse and I can only switch spouse/student position once during our time at Covenant Seminary and then only with the permission of the Financial Aid Office. If this switch is allowed, I realize that my spouse is then limited to no more than 6 hours per semester. Full details about satisfactory academic progress and spouse scholarship requirements are contained in the *Scholarships and Financial Aid Handbook*.
